

COVID -19

Safety Protocols

Revised Nov. 20/20

Reducing the Risks of Transmission

- We kindly ask that you stay home if you or someone in your party is sick
- Masks are **MANDATORY** to be served in Taylight. They must be worn at all times except for when seated.
- Maximum of 43 people in the lounge at once
- Maximum of 6 people per table (providing they're in the same party)
- Please respect others and keep your distance of 6 feet at all times
- Designated "Entrance" and "Exit" door with arrows and lines on the floor indicating the flow of customers
- All surfaces will be sanitized in between customers including chairs, tables, counter tops, pin pads, etc.
- Washrooms will be sanitized frequently – sanitize log in effect.

Physical Measures in Place

- *DO NOT* move chairs or tables – please ask staff on duty if assistance is required
- Reduced the number of tables and chairs in lounge in order to practice social distancing
- Plexiglass barrier at the cash to protect our staff and customers
- Dividing rope, arrows and lines on the floor to indicate the direction and flow of customers

Service controls

- Bar service only
- Terminals and counters will be sanitized in between customers
- Proper signage is visible around the lounge; Keep your distance, proper hand washing hygiene, bussing your own tables – please bring used glassware to designated area.
- As required by the Provincial Health Officer (PHO), we must take a name and phone number from one member in each party and keep it for 30 days for traceability measures.

Personal Protective Equipment (PPE)

- Masks are now mandatory at all times – should you forget your mask or do not have one, our staff will be more than happy to provide you with one.
